INSTRUCTOR FEEDBACK - DIAGNOSTICS

Organization / Clarity

Difficult to understand at times, but very organized and returned assignments in a timely manner

Instructor Enthusiasm

Always excited and passionate about the subject as well as student's success

Group Interaction

I felt comfortable asking questions, and I was able to stay after for help. Always available by appointment/offic hrs.

Individual Rapport

Very respectful, wanted all students to succeed, always available. Replied to emails quickly

Breadth of Coverage

Sometimes questions were answered incorrectly and alternate methods were not provided

Examinations / Grading

Always went over exams and quizzes, answered any and all questions. Grading was clear and fair

Assignments / Readings

Online hw was very simple at times or extremely difficult in comparison to the material covered in class.

Workload / Difficulty

The workload was relevant to the amount of material we covered in class. certain times there was a lot, but it helped to cement math in my brain.

SUMMARY EVALUATION, Overall comments on the course, your learning, and the instructor's teaching.

Math has never been my thing, but this class made me understand concepts that I never understood in highschool. we tended to go fast at times and I got lost, but overall it was a great semester
