

# Winter 2020 Qualitative Report for Nguyen Truc Dao Nguyen - STA\_1020\_2001\_008 Elementary Statistics

Project Title: **Winter 2020 Online Student Evaluation of Teaching**

Course Audience: **32**

Responses Received: **19**

Response Ratio: **59.38%**

Opted out: **0**

---

## Report Comments

The Qualitative Report containing students' comments is provided to faculty but not to administrators. It is intended to give faculty detailed input on elements to keep or add to their course. If your comments are not helpful, you may want to explain to your students what type of feedback is most helpful to you prior to the evaluation period. For example, some faculty will ask for specific input when they try out a new instructional approach.

Creation Date: **Wednesday, May 20, 2020**

## Organization/Clarity Comments

Comments
Amazing professor who made the course easy to understand, always cared for the students success.
Very organized!

## Instructor Enthusiasm Comments

Comments
Very engaging and always willing to explain something not understood by a student in a simpler way
Dao is such an awesome teacher and really engages with the class!
Very knowledgeable and exciting to listen to!

## Group Interaction Comments

Comments
Amazing
A lot of people participated. Very welcoming

## Individual Rapport Comments

Comments
Timely manner responses to emails, and grades always submitted in a timely manner as well
Always responded to my emails quickly
professor treated everyone kindly, even when students weren't respectful towards them.

## Breadth of Coverage Comments

Comments
Excellent
Covered a lot of subject matter but very informative

## Examinations/Grading Comments

Comments
Grading was fair!

## Assignments/Readings Comments

Comments
Not Answered

## Workload/Difficulty Comments

Comments
If workload was heavy, the professor always made sure we understood to succeed
Homework lined up with notes to help guide us
this doesn't reflect on Dao, I personally struggle with math. For someone that isn't naturally good at math, the class was fast paced and difficult at times

**Please provide your overall comments on the course, your learning, and the instructor's teaching.**

Comments
Understanding, knowledge, and easy going
Great instructor! I loved the class because of the instructor
great professor
Dao you are such a kind person and a great professor! wish you the best

## Additional Comments

**Additional comments you would like to convey to your instructor.**

Comments
Nguyen is an amazing professor. Very fair when it comes to grading and very helpful.
Dao, you are so awesome and I loved your class even though it was stats! You made learning great and I am sad that we couldn't continue in person learning. Thank you so much for a fun semester!
very sweet and understanding. Really does want to see the students succeed.

Comments
The Hand in Homework or online homework, either or because at some points it got really overwhelming and repetitive.
